To The Shareholder of
M. Amarico, Inc.

We have audited the accompanying statement of financial condition of M. Amarico Inc. (Company), as of December 31, 2008 and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these Financial statements based on our audit. My examination also included the supplementary schedules 1-4.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position as of December 31, 2008, and the results of its operations and its cash flows for the years then ended in conformity with accounting principals generally accepted in the United States of America.

M. Amarico, Inc.
Note to Financial Statements
December 31, 2008

Note 1 - Nature of Corporation's Business

The corporation conducts a retail stock brokerage business with its offices at 96 Limekiln Road, West Redding, CT. All customer transactions are fully disclosed through Ridge Clearing Corp. The agreement with Ridge Clearing is for M. Amarico, Inc. to deposit \$50,000 in a Good Faith Account at Ridge Clearing Corp.

Note 2 - Capital Stock Issued

The corporation was incorporated in the state of Delaware on January 14, 1981. Subsequent to that date, Mr. Michael Amari purchased 100% of the capital stock in the Corporation for the sum of \$50,000.

Note 3 - Payroll Taxes and Employee Benefits

Contributions to the M. Amarico Pension Plan were not made in 2008 because the plan reached the Full funding Limitation under the rules of 1987 O.S.R.A. regulations. Pension accrual was reduced to reflect the Full Funding of the plan. The remaining pension provision on Amarico's books reflect an accrual of possible contribution for 2008 since actuarial reports are not finalized as of this audit date.

Note 4 - Insurance

The corporation has secured a Stockholders' Blanket Insurance Policy from Hartford Fire Insurance Co. for the term of one year commencing June 25, 2008 through June 25, 2009. The policy has a limit of \$60,000 and is subject to a loss deductible clause of \$5,000 per loss. The premium applicable to the year 2008 is reflected in Insurance Expense on Exhibit B. The corporation is a member of the Securities Investors Protection Corp. Assessments paid to same, are included in Insurance Expense on Exhibit B.

Note 5 - Depreciation

Included herein is the sum of \$1,376 for depreciation on equipment, vehicles, and is calculated under the Straight Line Method of Depreciation.

Note 6 - Income Taxes

Income taxes consists of the following:

Current

Federal	\$ 0
State & Local	<u>471</u>
	\$ 471

Deferred

Federal	0
State	<u>0</u>
	\$ 0

Deferred taxes are provided due principally to unrealized appreciation of securities. Reduction in deferred taxes is a result of recognized income from sale of securities. Deferred taxes are accrued due to timing differences and book to tax accounting for depreciation. There was no accrual for deferred taxes in 2008 since the amount was immaterial and results reflect a net loss to operations.

Note 7 - Net Income (Loss)

The Loss of \$64,582 is arrived at after including net unrealized profit and losses from securities. Unrealized Loss on securities was \$38,924. The salaries, paid to non officers, for 2008 were \$14,640.

Note 8 - Commitments and Contingent Liabilities

The Company as of this date is unaware of any contingencies.

The accompanying notes to financial statements are an integral part of this report.

To The Board of Directors
M. Amarico, Inc.

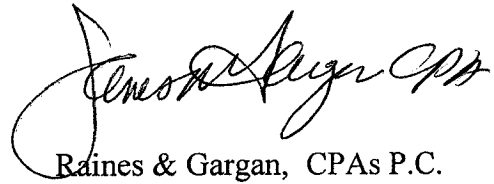

I have examined the financial statements of M. Amarico, Inc. for the period ended December 31, 2008, and have issued my report thereon dated February 20, 2009. As part of my examination, I made a study and evaluation of the system as required by generally accepted auditing standards and Rule 17A-5 of the Securities and Exchange Commission. This study and evaluation included the accounting system, the procedures for safeguarding securities, and practices and procedures followed by the client in making the periodic computations of aggregate indebtedness and net capital under Rule 17A-3 (A) (11). Since the corporation claims exemption from compliance with Rule 15C3-3, I satisfied myself that all transactions were cleared through Ridge Clearing Corp. and no information came to my attention that the Corporation did not comply with this requirement. Rule 17A-5 states that the scope of the study and evaluation should be sufficient to provide assurance that any material weakness existing at the date of my examination would be disclosed. Under generally accepted auditing standards and Rule 17A-5, the purposes of such study and evaluation are to establish a basis for reliance thereon in determining the nature, timing, and extent of other auditing procedures necessary for expressing an opinion on the financial statements and to provide a basis for reporting material weaknesses in internal auditing control.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance concerning the safeguarding of assets against loss from unauthorized use or disposition and concerning the reliability of financial records for preparing financial statements and maintaining accountability for assets. However, for the purpose of this report under Rule 17A-5, the determination of weakness to be reported was made without considering the practicability of corrective action by management within the framework of a cost/benefit relationship.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from the misunderstanding of instructions, mistakes of judgment, carelessness, or other personal factors. Control procedures whose effectiveness depends on segregation of duties can be circumvented intentionally by management either with respect to the execution and recording of transactions or with respect to the estimates and judgments required in the preparations of financial statements. Further, projection of any evaluation of internal accounting control for future period is subject to the risk that the procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

My study and evaluation of the system of internal accounting control for the period ended December 31, 2008, which was made for the purposes set forth in the first paragraph above, that may have existed during the period, disclosed no weaknesses that I believe to be material.
